President's Message

Join us on the new Liberty Park Community website and Facebook

Exciting things are happening for the Liberty Park Subdivision. We've created a website at www.LibertyParkCommunity.org and a Facebook page at www.facebook.com/LibertyParkComm to provide information to the community that can be accessed 24/7 along with any important alerts and updates from the Liberty Park Homeowners Association Board.

The website includes information about the homeowners association, maintenance assessment billing, restrictions, upcoming events and the current bulletin as well as archived copies of past bulletins from 2015. Also included is a calendar to keep the community informed of meetings, events, hydrant flushings, etc. If you're interested in looking at photos of our community then check out our photo page! Finally, we're always looking for volunteers to help with events, etc. so please fill out the volunteer form if you're interested or if you have a question, comment or suggestion please let us know through the contact form.

Additionally on our website, you can like or share our Facebook page, join our group or sign up to receive an email of any posts we make on our blog. To follow our blog, click on the follow button by our blog posts on the right side of our website pages.

For quick access to our website, you can scan this QR Code to the right. We hope you find the website and Facebook helpful. Let's work together to make our subdivision a safe, happy community to live in!
