NOVEMBER 2015

NO. 12

President's Message

November is a month to be thankful for from Veterans Day where we say thank you to the many veterans who have served our country to Thanksgiving Day where we're thankful for the many blessing in our life including family and friends. I would like to thank those who have made the many sacrifices for our country and wish each and every one of you a Happy Thanksgiving.

Veterans Day

On the 11th hour of the 11th day of the 11th month of 1918, an armistice, or temporary cessation of hostilities, was declared between the Allied nations and Germany in the First World War, then known as "the Great War." Commemorated as Armistice Day beginning the following year, November 11th became a legal federal holiday in the United States in 1938. In the aftermath of World War II and the Korean War, Armistice Day became Veterans Day, a holiday dedicated to American veterans of all wars.

Thanksgiving

In 1621, the Plymouth colonists and Wampanoag Indians shared an autumn harvest feast that is acknowledged today as one of the first Thanksgiving celebrations in the colonies. For more than two centuries, days of thanksgiving were celebrated by individual colonies and states. It wasn't until 1863, in the midst of the Civil War, that President Abraham Lincoln proclaimed a national Thanksgiving Day to be held each November.

Preparing for Winter

Winterize your vehicle by preparing a winter survival kit. The kit can include a shovel, windshield scraper & small broom, flashlight with extra batteries, water, snack food, extra hats, socks & mittens, first aid kit with pocket knife, necessary medications, blanket, rope, road salt, sand or cat litter for traction, booster cables, emergency flares or reflectors, whistle and cell phone adapter to plug into lighter. Also check tires for proper inflation, keep gas tank level to at least ½ full to avoid moisture build-up and make sure the windshield wiper fluid reservoir is full.

For your home, check the operation of your inside water shut-off. Stake your outside B Box water shut-off valve with a minimum 2' stake before the snow comes and covers it up. Pipes in the crawl space or in an unheated garage should be insulated. Water to the outside spigot should be turned off if there is no anti-siphon valve. Do a quality inspection of all your vent pipes including furnace, space heaters, fireplace, and hot water heaters. Replace any corroded vents.

Deepest Sympathy

Our thoughts & prayers go out to
all the families.

To the family of Glendon South who passed away on October 20th. Glendon & Sandra were longtime residents of Liberty Park and moved to the subdivision in 1966. Glendon was on the LPHOA Board from 1999-2006 and then moved to Alabama after leaving the board.

To the family of Kathleen A. Hamilton of Williams Street who passed away on June 1st. Kathleen moved in during 1959 and lived here over 45 years.

To family of Sandy Jordan, wife of Al Jordan who passed away on October 23rd. Sandy and Al were longtime residents and Al served as Assistant Water Superintendent for many years.

Our apologies to the Rice Family, the correct spelling of Barb's mom is Helen A. Drzewiecki.

Thank You

We would like to thank the residents who joined us for the 1st Annual Pumpkin Painting. A special thank you to Janice & Ed Collins, Nancy Tannahill & Chris Hohe for their hard work on this event.
