CCR

The Consumer Confidence Report (CCR) were mailed to each homeowner on the LPHOA water system along with the 3rd quarter maintenance assessment. Keep this report, it may be needed for real estate or financial dealings regarding your property.

Mosquito Prevention

With the abundance of rain we've had lately, prevent mosquito breeding by removing stagnant water and changing your bird bath frequently.

Be a Good Neighbor

Overgrown yards are not only an eyesore but a community safety issue: Weeded lots give an impression no one cares for the neighborhood. This attracts crime and vandalism, eroding community safety and value.
