### NOW IS THE BEST TIME TO WINTERIZE YOUR HOME

Some basic ways to winterize your home include installing the storm windows, sealing your windows with plastic and changing your furnace filter. Completing these tasks and others before winter hits helps you save money on energy bills and future maintenance.

In loving memory of long time resident of Park St., "Flo" Florence Frucci, who passed away July 20, 2022. She was 93. Flo was the manager of Suburbanite Bowl for many years. She was preceded in death by the late Lawrence Frucci. 2 children, the late Anthony and Therese, and 3 grandchildren, Rod, Stephanie, and Nicolas Frucci.

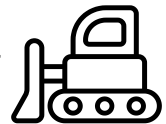

Mom and Dad you were always together in life and are now once again together forever.

Love, Therese

York and Downers Grove Townships request that all vehicles be kept off the street when a snowfall is predicted, keeping the road clear for snowplows.

It is also requested that residents avoid shoveling snow into the road as this may cause hazardous conditions.
